AMENDMENT

Sir:

In response to the office action of September 28, 1999, kindly amend the above-identified application as follows.

IN THE CLAIMS

Claim 3, line 7, delete "organic oxide" and substitute --inorganic oxide--.

REMARKS

"Organic oxide" in claim 3 was simply a typographical error. See page 5 of the specification, lines 14-30, merely for example.

The amendment to correct the above discussed typographical error is considered, on its face, to obviate the rejection of claims 3-12 and 14 under 35 USC 112.
